# ABOUT US

## WELCOME TO BUSINESS BENCH COMPANY!

At Business Bench, we redefine spaces with our exceptional range of interior & exterior products. We began as a small interior design firm founded in 2018 by two young and passionate entrepreneurs. Over time, our journey evolved into a leading interior and exterior design import company.

We proudly operate warehouses in **Tamil Nadu, Delhi, and Andhra Pradesh**, catering to the growing demand for premium materials. With a strong presence across 600+ branch nation wide, we continue to expand, transforming spaces with innovation & excellence.

### EXPANDING HORIZONS, REDEFINING EXCELLENCE

At Business Bench, our ambitious growth strategy is driving us to expand across India and beyond. With a vision to enter the international market, we are set to bring global inspiration to every space we touch. Our goal is to establish a presence worldwide, making premium interior and exterior solutions accessible across borders.

### REVOLUTIONIZING THE INTERIOR & CONSTRUCTION INDUSTRY

Our mission is to revolutionize the interior design industry by delivering high-quality interior & exterior products at competitive prices. We are dedicated to fostering strong customer relationships across South & North India while partnering with the world's top importers of premium materials. Beyond interiors, we are shaping the future of construction as a trusted builder, recognized for innovation and sustainable practices. With an unwavering commitment to excellence, we continue to refine industry standards, crafting extraordinary spaces that inspire and endure.

### A FUSION OF GLOBAL TRENDS & LOCAL CONVENIENCE

Our products seamlessly blend international trends with local convenience, making it effortless to **ELEVATE YOUR INTERIORS**.

Every product undergoes rigorous quality control to ensure durability, functionality, and aesthetic appeal.

Whether it's a home, office, or commercial space, our team provides personalized and customizable design solutions.

Luxury should be affordable. Our competitive pricing makes stylish & high-end Interiors accessible to all.

# History of BUSINESS BENCH

2019

## The 1st Step Towards Success

Our journey began with the launch of our first product, the [Polygranite Sheet](#). Back then, with just 2 employees & 2 branches, we laid the foundation for what would become a thriving enterprise.

2021

## A New Era Begins

This was the year we stepped into the global market and transitioned to our [New headquarters](#). With a growing team of 9 dedicated employees and an impressive network of [75+ branches](#) across India, we were poised for even greater success.

2023

## Expanding Talent & Reach

Next, we expanded our team by [30 professionals](#), strengthening our foundation for growth. With [187 branches](#) across India, we emerged as a leading company in the industry. To meet customer demands, we also introduced [two more innovative products](#), further enhancing our offerings!

2025

Today, BBC is a [symbol of its vision](#), creating beautifully designed reality from dreams.

2018

## A Vision Takes Shape

The Business Bench Company (BBC) came into existence in 2018 through 2 young & spirited entrepreneurs emerging into an Interior décor Company

2020

## A Step Toward Global Success

In this year marked a significant [Milestone in our journey](#) as we expanded our presence to other states, taking our first step toward global success. Following this, we introduced [four innovative products](#), further strengthening our commitment to excellence.

2022

## Innovation Meets Expansion

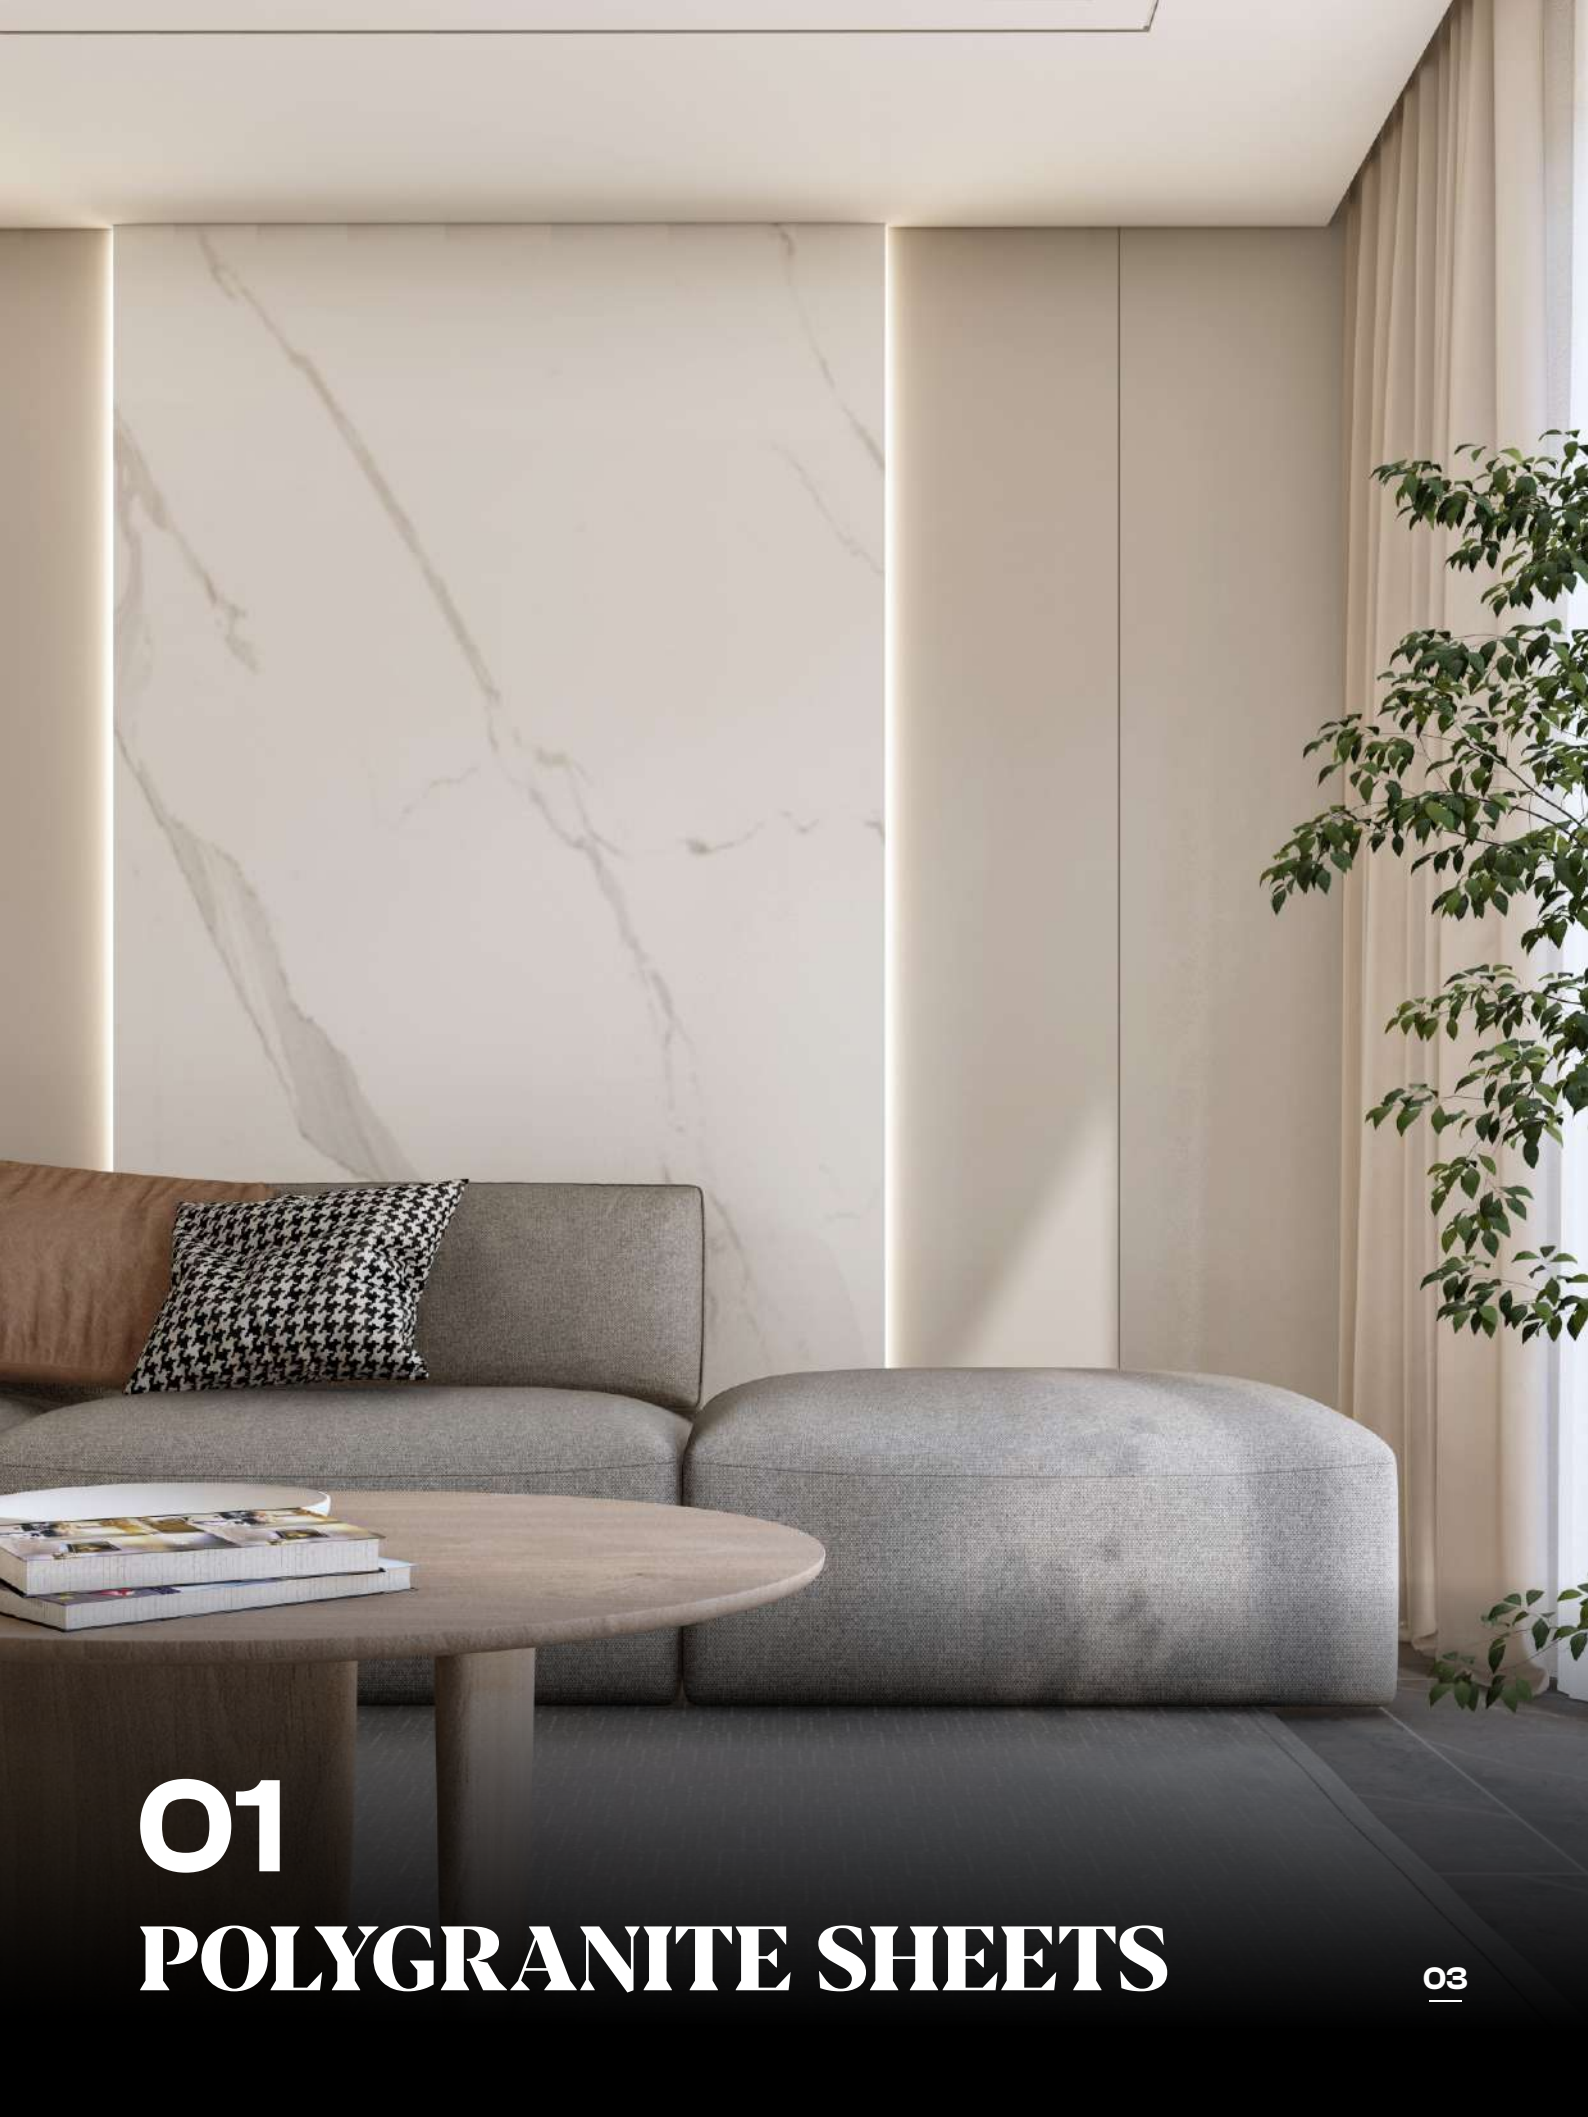

In this year, we made a remarkable impact on the Indian market with the launch of [Stone Coated Steel Roofing](#), a Game Changer product that redefined industry standards. Additionally, we expanded our infrastructure by establishing a [new warehouse in Vijayawada](#), marking another milestone in our journey of growth!

2024

## A Year of Transformation

In this year, We have marked a major turning point for us! We expanded our corporate presence by opening a [new branch in Bangalore](#), growing our team to [100+ employees](#). And we also introduce [three ground breaking products](#), making our name resonate in every corner of India!

Many more milestones await! ***The story continues...***

# ADHESIVE

## MAIN PURPOSES

Bonding Wood & PVC, Ceramic, Masonry, Aluminum, Metal, Timber, Steel, Concrete, Glass, Plasterboard, & flooring Paneling, Etc.,

## PRODUCTS FEATURES

- Good weather resistance
- Low-odour & eco - friendly
- Super Initial Strength, Long-Lasting Viscosity & Good Bonding Strength
- Wide application range, suitable for most of materials & also suitable for the gap filling.
- No containing to toluene, benzene or other hazardous material.

## APPLICATION METHOD

- Clean the surface & remove any oil stains or ash.
- Cut open the orifice, attach the nozzle, & use a gun to squeeze out the adhesive.

### BONDING PROCESS FOR LIGHT MATERIALS:

(For light materials and low-pressure bonding)  
Apply the adhesive in a 'Z' shape with 40cm gaps, press the materials firmly, separate them for a few minutes, then press again.

### BONDING PROCESS FOR HEAVY MATERIALS:

Apply the adhesive as instructed, then secure with clamps, nails, or screws. Remove the clamps after 24 hours. Adjust positions within 20 minutes. Adhesion strengthens in 2-3 days & reaches full strength in 7 days.

# ADHESIVE

## MAIN PURPOSES

Liquid nails have super strength & can replace nails for bonding wood, plasterboard, MDF, metal, plastic, & rubber without drilling."

## PRODUCTS FEATURES

- Extremely strong adhesion.
- Highly flexible with stable adhesion.
- Versatile use, suitable for most base materials, including wet wood.
- Non-sagging, suitable for joint filling, & paintable after drying.
- Excellent weather resistance & waterproofing. Safe, odorless, and eco-friendly.

## APPLICATION METHOD

- Clean the surface & remove any oil stains or ash.
- Cut open the orifice, attach the nozzle, & use a gun to squeeze out the adhesive.

### BONDING PROCESS FOR LIGHT MATERIALS:

(For light materials and low-pressure bonding)  
Apply the adhesive in a 'Z' shape with 40cm gaps, press the materials firmly, separate them for a few minutes, then press again.

### BONDING PROCESS FOR HEAVY MATERIALS:

Apply the adhesive as instructed, then secure with clamps, nails, or screws. Remove the clamps after 24 hours. Adjust positions within 20 minutes. Adhesion strengthens in 2-3 days & reaches full strength in 7 days.

# ADHESIVE

## PRODUCT DESCRIPTION

Neutral silicone sealant is a single-component, anti-bacterial oxime cure sealant that forms a strong, waterproof seal. Its flexible, multi-purpose formula includes anti-fungal properties to prevent mold and bacteria growth."

## GUIDELINES

- Ensure all surfaces are clean and dry.
- This product is not suitable for structural assembly, alkaline surfaces like marble and granite, or areas that are frosty, humid, poorly ventilated, or contain grease or plasticizers.
- Keep away from children.
- Keep the package sealed and ensure proper ventilation at the worksite.
- Avoid contact with eyes and skin. If contact occurs, rinse immediately with clean water and seek medical help. Perform a trial test before use to ensure safety and effectiveness.
- Store in a cool, dry place below 27.C.

## SHELF LIFE

12 Months

# VALUED CLIENTS

*Exceptional Design,  
Unmatched Service!*

—————→ **Antony Jeffrey**

We're overjoyed with the results from Business Bench. Actually they handled all aspects of our home's design, including colours and flooring. Their customer service was superb, always attentive and supportive. The warranty added an extra layer of security. We would gladly suggest them to anyone.

★★★★★

**Sakthi S** ←————

Great service and fantastic range of interior décor options. Highly recommended for modern home upgrades!
